Subject: PH: EPA and YN Meeting
Date: 07/08/2010 05:03 PM

Hi Kristine -

After talking with Paul Ward and Tom Zeilman, we would like to arrange a meeting with EPA to discuss Yakama Nation's involvement at the PH Superfund Site and our associated NRD activities. An EPA / Yakama Nation meeting seems appropriate considering that it has been a few years since we last met with Dan O. and Sylvia K. (pre Deb years). In addition, EPA's oversight of coordinating with the Yakama Nation on the July 27th PRP meeting is of great concern.

We understand that schedules are tight but meeting prior to the July 27th meeting would be preferable. We are available to meet the afternoon of July 21st at EPA's Seattle Office. We would appreciate Dan and Deb's participation at this meeting. Please let me know if we need to consider alternate dates.

Thank you,
rose
